Subject: USGS funding for Anaconda-area streams

[USGS Anaconda FY2014 SOW.docx](#)

Andy – I have drafted the attached letter to memorialize Atlantic Richfield’s payment of the fiscal year 2014 USGS costs. A copy of the approved SOW received from Charlie is also attached.

I need your help to fill in the appropriate account information to which AR would direct the payment. I have included a ‘notice’ requirement that AR send a letter to David Sturn when the payment is made to ensure that receipt of the payment is accounted for in EPA’s records.

Look forward to your comments. One last point – I included the July 12th date for payment without consulting AR, so I may suggest a different date (or changes to the text) based upon comments from AR. Please send me the account information or other comments and we can wrap this up in the timeframe suggested by Charlie. Please call if you want to discuss. Thanks.

Bill
